

THE 2015 FALL PRS ROSE SHOW AT LLOYD CENTER

For the Ninth year, the PRS was pleased to present a fall rose show bonanza to the City of Portland at the city's premier mall. Lloyd Center acted as a gracious host and the community of rose growers responded by bringing in a large number of roses for everyone visiting the mall to see. The fall show was presented on the second level of the mall and the roses were displayed along the glass wall that overlooks the lower level of the mall. A total of 48 exhibitors placed over 700 entries consisting of over 1100 stems of roses and the Portland Parks exhibition for a total of about 2500 individual blooms on display at the show - Thanks!
