If you would like to have additional information about any of the above roses or any other roses check out the website www.helpmefind.com . Click on roses then on search then on roses again at which point you type in the name of the rose one of the choices is sounds like which is great if you are not quite sure how the rose you are looking for is spelled. You get pictures and information about the rose you are looking for.

SPECIAL FERTILIZER SALE!!!

What is it and why is it special? This fertilizer is special because it is produced exclusively for the PRS. The formulation of this fertilizer is one which was devised to provide the optimum level of all macro fertilizer elements and all of the trace elements as well, (see chart below), for vigorous growth and bloom production. Every element that rose plants need to thrive is contained within this formulation. This is the best fertilizer that you can buy for optimum rose growth. It is a special sale because the cost of this fertilizer makes it a real bargain. The cost for a 20 pound bag is \$12. When you compare that with the price of a similar product at any retail outlet you will see that this is a good price. Buy one, two, three bags or more. This product is also a good vegetable garden and general flower fertilizer. We have heard many testimonials from individuals who state that this fertilizer has improved their gardens significantly. In addition, a number of rose growers from around the Pacific Northwest drive to Portland to get their annual supply. With this product there is no need to buy several different types of fertilizer for different plants in the yard. Buy just one fertilizer to do it all! Do a friend a favor, buy a bag and give it as a gift. It is a gift that will continue giving all summer long. This fertilizer will be sold at the March, April and May PRS meetings. The meetings are held on the third Monday of the month at Oaks Amusement Park which is located at the east end of the Sellwood bridge (follow the signs). Sales start at approximately 6:30pm and continue until after the meeting, about 9:30. As in the past, there will be special arrangements made for those who cannot pick up their fertilizer at the scheduled meetings. Non-PRS members are also welcome to purchase the fertilizer and we encourage them to do so. Due to many requests, the fertilizer bags will come complete with an informative label including instructions for use as reproduced below. If you have questions or need additional information, please call the PRS Phone Message machine at 503-777-4311.
